

Classroom Rituals

August 23, 2010

Dear Families,

Welcome back from a well deserved summer vacation . We hope that you are well rested and ready for another fun and exciting school year at Seven Hills Charter Public School.

Agenda Books

Students will continue to use agenda books to communicate daily with parents. It is the child's responsibility to take care of their agenda book and bring it back and forth from school to home everyday. If your child had a great day, we will write SUPER. If your child had a good day, we will write GOOD. If your child did not make appropriate choices throughout the day, we will write a note to you explaining what happened. He/She will receive a NEEDS IMPROVEMENT. We will also write pertinent information that pertains to your child other than behavior if necessary.

Every parent must check your child's agenda book every night and sign under school talk so that we can stay in communication with each other on your child's performance and behavior. It is necessary that you comply for the success of your child in school.

The clip in the agenda is for our use here at school, please **do not** remove it from the agenda.

Homework and Reading Log

Every child will have a blue homework folder. The folder will be sent home on Monday with the weekly homework packet and the daily reading log. **It is important to have your child read every night for twenty minutes.** Please date and initial under each night your child reads. They must complete at least four days of the reading log to get credit for perfect homework. The homework packet and reading log will be passed back into school on the last day of the school week (Fridays unless there is a short week) . Please **DO NOT** send the homework packet in early.

Birthday Celebrations

Due to our wellness policy and food allergies , it is unacceptable to bring in sweets, cupcakes or food items for the celebration of a child's birthday. Your child will receive a certificate and pencil on the day of their birthday. Every month we will have an extra curricular activity to celebrate the birthdays for that month.
